PLANT'S CHOICE BROWN-DYED WOOD CHIP MULCH

PRODUCT REFERENCE: BDCPCT

(Please state the product name and reference number when specifying and/or ordering)

Long lasting wood chip mulch produced mainly from ground dimensional lumber that has been dyed brown.

This product is screened using one inch screens. A small percentage of larger material and plywood/press board material may be present.

Ground and dyed to PCI specifications. Not certified for use as playground mulch.

This mulch is an excellent material to use for achieving an exclusive look. It is suitable for use as a ground cover for weed abatement and water conservation. It is ideal for slopes and pathways. It is easy to apply and to use with drip irrigation installations. It can be used with Plant's Choice Mulch Blowing Equipment.

Please review a sample of the material before ordering.

A Plant's Choice professional is available to answer any question(s) that you may have and /or to assist you with the use of Plant's Choice Brown Dyed Wood Chip.

Specification data subject to change.

Limitation of Warranties: Seller makes no warranty of any kind, expressed or implied, regarding the materials; and all warranties, including any implied warranty of merchantability and any implied warranty of fitness for a particular purpose, are hereby excluded. All sales are subject to the Plant's Choice Limitation of Liability Terms, Mulch Blowing Terms, and General Terms and Conditions.
