**PRODUCT REFERENCE: GHM200**

**(Please state the full product name and reference when specifying and/or ordering)**

Plant's Choice<sup>®</sup> "Gorilla Hair Mulch" is a supreme quality mulch that is produced mainly from shredded redwood bark.

It is reddish brown in color. The bark is stringy and has large fibers for a coarse look. Some fines and oversize should be expected.

This mulch is an excellent material to use for achieving an exclusive manicured and natural look. It is suitable for use as a ground cover for weed abatement and water conservation. It is ideal for slopes and pathways.

It is easy to apply and to use with drip irrigation installations.

Please review a sample of the material before ordering.

Plant's Choice is not responsible for any contamination, alteration, and/or variation from installation/maintenance procedures and changes after delivery. Once material is unloaded and/or put to use it is considered fully accepted.

A Plant's Choice professional is available to answer any question(s) you may have and/or to assist you with the use of Plant's Choice<sup>®</sup> "Gorilla Hair" Mulch.
