PLANT'S CHOICE PLAYGROUND CHIPS 100

PRODUCT REFERENCE: PGC100

(Please state the product name and reference number when specifying and/or ordering)

Plant's Choice[®] Playground Chips 100 is a premium mulch (engineered wood fiber) that is specially produced and certified for use on playgrounds.

This special mulch is produced from clean virgin wood generated from the forestry industry and is free of contaminants.

Clean virgin wood is ground and then screened to remove oversize materials and fine materials. This mulch is then allowed to cure to achieve desired moisture level. It can be applied with Plant's Choice Mulch Blowing Equipment.

The Playground Chips product was subject to testing in accordance with the International Play Equipment Manufacturers Association (IPEMA) ASTMs.

ASTM F1292 Impact Attenuation (tested on 12 inch material thickness at 30°F, 72°F and 120°F)

ASTM F2075 Tramp Metal Testing

ASTM F1951 Wheel Chair Access

Please review a sample of the material before ordering. Test Reports available upon request.

A Plant's Choice professional is available to answer any question(s) you may have and/or to assist you with the use of Plant's Choice[®] Playground Chips 100.

Specification data subject to change.

Limitation of Warranties: Seller makes no warranty of any kind, expressed or implied, regarding the materials; and all warranties, including any implied warranty of merchantability and any implied warranty of fitness for a particular purpose, are hereby excluded. All sales are subject to the Plant's Choice Limitation of Liability Terms, Mulch Blowing Terms, and General Terms and Conditions.
