PLANT'S CHOICE WOOD CHIP MULCH 200

PRODUCT REFERENCE: WCM200

(Please state the full product name and reference when specifying and/or ordering)

Long lasting wood chip mulch produced mainly from ground recycled clean lumber that consists of both hardwood and softwood.

This product is light woody tan in color and screened using 2-inch screens. Ground to PCI specifications to achieve special sizing. There may be a small percentage of larger/finer material. This product is generally free of large pieces of trash (e.g. plastic pieces).

It is suitable for use as a ground cover for weed abatement and water conservation. It is ideal for slopes. It is easy to apply and to use with drip irrigation installations. It can be used with Plant's Choice Mulch Blowing Equipment. Not certified for use as Playground mulch.

Please review a sample of the material before ordering.

A Plant's Choice professional is available to answer any question(s) that you may have and /or to assist you with the use of Plant's Choice Wood Chip Mulch 200.

Specification data subject to change.
