PLANT'S CHOICE WALK ON BARK [FIR BARK MULCH] 200

PRODUCT REFERENCE: WOBFR200

(Please state the full product name and reference when specifying and/or ordering)

Plant's Choice[®] Walk on Bark [Fir Bark Mulch] 200 is a supreme quality mulch that is produced from mainly shredded and aged Fir Bark.

It is brown in color and it is specially screened through two-inch (2") screens. Some fines and oversize should be expected.

This mulch is an excellent material to use for achieving an exclusive manicured and natural look. It is suitable for use as a ground cover for weed abatement and water conservation. It is ideal for slopes and pathways.

It is easy to apply and to use with drip irrigation installations. It can be used with Plant's Choice Mulch Blowing Equipment.

Please review a sample of the material before ordering.

Plant's Choice is not responsible for any contamination, alteration, and/or variation from installation/maintenance procedures and changes after delivery. Once material is unloaded and/or put to use it is considered fully accepted.

A Plant's Choice professional is available to answer any question(s) you may have and/or to assist you with the use of Plant's Choice[®] Walk on Bark [Fir Bark Mulch] 200.

Specification data subject to change.

Limitation of Warranties: Seller makes no warranty of any kind, expressed or implied, regarding the materials; and all warranties, including any implied warranty of merchantability and any implied warranty of fitness for a particular purpose, are hereby excluded. All sales are subject to the Plant's Choice Limitation of Liability Terms, Mulch Blowing Terms, and General Terms and Conditions.
